COMPANY INTRODUCTION

Murano Wall Tiles is an India based company with a vision to cater to customers across the globe. It takes a lot of skills to design and manufacture in a competitive market but we have a track record of many successful years as a leading ceramic company. The company has a huge production capacity which falls in line with a high European standard.

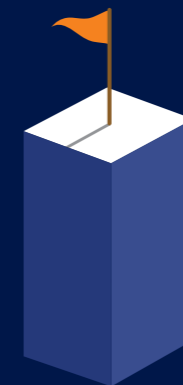

The company has an in-house R & D department, where in continuous research is done in design and quality of glazed tiles, to provide value for money to our customers. The company has a well-established dealer network throughout the whole country and it has also marked its presence in the export market of various small and big countries throughout the world.

VISION

Murano Wall tiles aim to provide products of international standards to a worldwide customer base. We curate our products keeping the needs of the architectures, engineers and designers in mind to give them the opportunity to experiment with their choices.

MISSION

With our growth-oriented approach and our mission to create innovative and versatile products, we wish to bring a change to the ceramics industry. We believe that innovation is the key to success and with this belief, we have and will always bring a contemporary twist to the market.

WHY ? CHOOSE US

We are determined at offering the best to our beloved customers. If you are looking for someone to transform your dream space into a reality, we are the perfect choice for you. We offer a wide range of ceramic tiles with optimum quality. With our tiles, you can create a space that feels like heaven!
